

Kdyz mne stara matka

Antonin Dvořák

This arrangement is also written for trio of two violins and one viola. It creates a superb harmony. The piece is the fourth song of Ciganske melodie (Gypsy Songs). The words of the song mean; When my mother taught this song to me, tears stood in her eyes. Now I teach it to my child. I also shed tears.

Feel the breath and play the melody with your right hand. Be careful to the balance between the accompaniment part and the melody.
